Light fanny pack or VERY SMALL day pack

To carry lunch basically.

NO large day packs with padded waistband pockets and other unnecessary bells and whistles because they get heavy, hot &

cumbersome and wear you out carrying them

OPTIONAL

Gaitors

Minimal fishing gear (rod & reel, flies or spinners.

Personal beverages such as Beer, Pop, Liquor, etc. (Not included in your weight limit)

Handguns are unnecessary unless you plan to hunt with them. If there are any other items you feel you may need please feel free to pack them, but please be weight conscious and avoid seldom used gadgets or an extra pair of this or that. The average temperature Sept – Oct. is 25-75 degrees day/ 0-45 degrees night. Oct. – Nov. is 25-60 degrees day/ 25- minus 25 degrees night. Please pack your gear into Army style GI duffle bags approx. 36" long (*We do not want extra large duffle bags*) and please try to *not exceed 40 lb. total weight*. We will have duffle bags available for purchase at our ranch if you need one. Please feel free to contact us if you have any questions. This list is a good guideline but you can substitute to your satisfaction. Thank you – we look forward to hunting with you.

Happy trails,
